

DESIGN STANDARD EXCEPTION REQUEST

City of Hillsboro
Public Works Department
Capital and Development Division
4415 NE 30th Ave
Hillsboro, OR 97124

RE:

Request Type:

- Request a deviation from the DCS (If request is approved, the approval is for project-specific use and does not constitute a precedent or general modification of the City standard.)
- Request a permanent revision to the DCS (may require City Council approval)
- Request a permanent revision to a Standard Drawing (may require City Council approval)
- Request an official interpretation of a standard provision

The following is a request for design standard exception as per Section 135 in the City of Hillsboro *Design and Construction Standards (DCS)*:

Describe Request: [Briefly describe the nature of the request]

Reason(s): [Explain why the standard can't be met or should be modified]

Public Safety: [Describe the effect of the proposed modification on public safety]

Performance: [Describe the effect of the proposed modification on the performance of the roadway]

Financial Effect: [Describe the additional cost meeting the standard would demand]

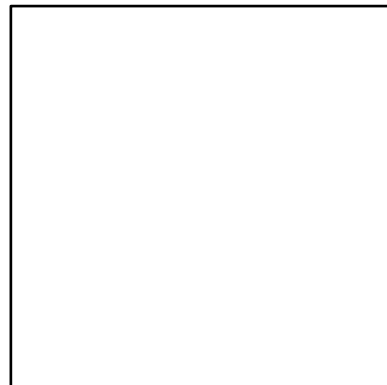

Other comments/arguments: [Provide any additional relevant information]

Exhibits of data, calculations, drawings, etc.: [Provide explanation of any attached exhibits]

Name: _____

PE Stamp (if required)

Agency/Firm _____
