

WALK AND ROLL TO SCHOOL DAY

CELEBRATED AT FIVE HILLSBORO ELEMENTARY SCHOOLS

In October 2018, Brookwood, Eastwood, Lincoln Street, McKinney, and Minter Bridge Elementary Schools celebrated Walk and Roll to School Day! The City of Hillsboro Safe Routes to School program assisted parents and staff at three schools in planning the morning celebration while two schools independently planned the event. The City of Hillsboro provided prizes for students at all five schools funded through an Oregon Department of Transportation grant.

In addition to the morning celebration, the Safe Routes to School Program, Hillsboro Police Department and WashCo BTC partnered to give away helmets at McKinney Elementary. Twenty-seven helmets were provided to students who were in need.
