**RE: Connecting Hillsboro Address Project Phase 3-I**

Dear Property Owner and/or Resident/Tenant,

This letter is official notification that the City of Hillsboro is changing the site addresses in your area as part of the broader Connecting Hillsboro Address Project. The attached list denotes the old and new addresses. The old and new last lines (PO city and ZIP code) are also listed with each list. No suite/unit/apartment numbers will change as a result.

To help with the transition to the new addresses, the City is issuing the new addresses with a one (1) year transition period for residential sites, and two (2) year transition for all non-residential sites. The newly assigned addresses may be used immediately, but must be in full use by **October 31, 2019** for residential sites, and by **October 31, 2020** for non-residential sites.

During the transition period for your address, both addresses will be valid for postal mail. You don't need to file a change of address form with the U.S. Postal Service — simply start using the new address.

The U.S. Postal Service and emergency responders already consider your new address to be valid. However, it may take several months before other public agencies or company databases (e.g., Oregon DMV, UPS, FedEx, Amazon, Google Maps) to reflect your new address. We recommend waiting to utilize the new address with a shipping company or navigation tool until confirmed that it's showing up in their systems. You'll know an organization has updated your address in its systems when you're able to enter your new address on its website successfully. Until then, use your old address.

Please keep a copy of this letter. It shows that your address was issued by the City of Hillsboro; some agencies may require a copy of the letter as validation of the change.

**97006 ZIP Code ONLY:**

If your ZIP code number is 97006, you may also begin using **HILLSBORO, OR 97006** as the last line for your address. Please note that you may still receive bulk mail, or other items, that occasionally reference Beaverton as the City name.
