

DOWNTOWN HILLSBORO URBAN RENEWAL AREA

Annual Report for Fiscal Year Ending June 30, 2014

Prepared by: Hillsboro Economic Development Council, the Urban Renewal Agency of the City of Hillsboro

This report fulfills the requirements prescribed in ORS 457.460 which states that an urban renewal agency must prepare a statement detailing financial activity within an urban renewal area.

Downtown Hillsboro Urban Renewal Area History

Over the decades, the citizens of Hillsboro have envisioned a healthy, thriving Downtown, surrounded by stable, desirable neighborhoods. Urban renewal provides a potential funding source to help pay for sidewalks, street lights, park improvements, and a host of other projects that will strengthen Downtown and enhance the nearby neighborhoods.

The Downtown Hillsboro Urban Renewal Plan (Plan) was adopted and approved by ordinance on May 4, 2010. The Plan was developed after the HEDC completed a URA feasibility study, conducted intensive outreach, considered feedback, and shared information with the public, elected officials, and other stakeholders in the area.

The URA “maximum indebtedness,” as defined by statute, is \$95,000,000. 1,108 acres are within the Downtown Hillsboro Urban Renewal Area boundary.

The Hillsboro Economic Development Council (HEDC) is the urban renewal agency for the City of Hillsboro. The governing board consists of the same individuals on the Hillsboro City Council, which is common among URAs in Oregon. The agency and its activities are funded by tax increment financing.

Goals

When developing the URA Plan and Report, the HEDC also created Goals and Objectives, as a guiding framework for the implementation of the Plan and for future decision making over its duration, in keeping with City policies. The Goals and Objectives are listed in the Plan, and the goals are reiterated here:

Goal 1: Continue public participation in the revitalization of downtown and in the protection and enhancement of surrounding neighborhoods, by providing timely and accurate information, offering varied opportunities for public input, and soliciting involvement from a range of stakeholders in decision-making.

Goal 2: Support revitalization of the downtown commercial district, to create a vibrant, active, sustainable, and accessible community.

Goal 3: Assist with improvements that support large and small businesses in creating and retaining jobs attractive to the diverse downtown workforce.

Goal 4: Ensure adequate, universally accessible, and safe infrastructure and multi-modal accessibility to and within downtown for residents, visitors, and service providers.

Goal 5: Promote and support stable and sustainable residential neighborhoods for a range of household incomes.

Goal 6: Enhance the livability of downtown through creation of new and improvements to existing parks, trails, and community recreation facilities for a range of users.

Goal 7: Support and promote downtown Hillsboro’s unique identity, in coordination with the Downtown Hillsboro Main Street program and similar programmatic efforts.

Goal 8: Support efforts to create a model for environmentally sustainable efforts in the downtown community.

Goal 9: Achieve a fair balance of urban renewal expenditures across geographic areas and types of projects, taking into account need, opportunity and relative scale of projects.
