

My Best Walk/Best Ride Art Contest

In May 2020, Hillsboro’s Safe Routes to School Program (SRTS) hosted its first My Best Walk/My Best Ride Art Competition for Hillsboro students. The competition served as an opportunity for the program to continue promoting safe walking and rolling skills as students followed social distancing measures.

The City of Hillsboro was pleased to announce three walk and two ride category winners.

Each winner received an art kit and fun safety items to improve their visibility on their next walk or ride. Participants also received a thank you letter and a small gift to show the City’s appreciation for their efforts during this extraordinary time.

“When I walk to school I feel on top of the world, but even when you feel on top of the world, you still have to stay safe and stop for cars.”
