

# Safe Routes to School

## Wheel Fairy Recap

The Wheel Fairies missed sharing prizes with everyone while we were all studying remotely this year, so they decided to pay a visit to some schools this spring. Every bike, scooter, and skateboard they found at the schools received a prize pack.

During the beginning of June, Wheel Fairies visited Brookwood, Eastwood, McKinney, and Mooberry Elementary schools. The Wheel Fairies visited each school two times since school attendance was split during hybrid learning.

More than 55 prize packs were given to students who walked or rolled to school! To encourage kids learning from home and to make sure wheels stored indoors got a prize, they also left around 50 prize packs with the school office to pass on.

Schools participating in the Safe Routes to School Program are eligible to have an annual Wheel Fairy visit.

Made possible with support from Metro and the Federal Transit Administration.
