

# Safe Routes to School

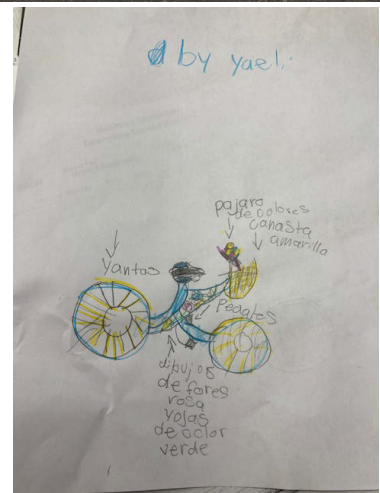

## Walk and Roll Challenge and Raffle

In May 2021, the City of Hillsboro Safe Routes to School program hosted a Walk and Roll Challenge & Raffle for students living in Hillsboro or going to Hillsboro School District schools. The event was open for students in grades Kindergarten through eighth grade. Students participated in this event by completing a brief pedestrian training, doing a walk or roll themed art piece, and walking and rolling around town to finish extra activities. The goal of this challenge was to help students learn pedestrian safety and use this knowledge to walk and roll around our community safely.

Once the event closed, staff randomly selected a raffle winner from a list of students who completed the challenge.

To show the City's appreciation for their efforts, participants who provided an address received a thank you letter, stickers, and a treat card from Chick-Fil-A Tanasbourne. This event was made possible with support from Metro, the Federal Transit Administration, WashCo Bikes, and Chick-fil-A Tanasbourne.

Made possible with support from Metro and the Federal Transit Administration.
