An Educated, Competitive Workforce

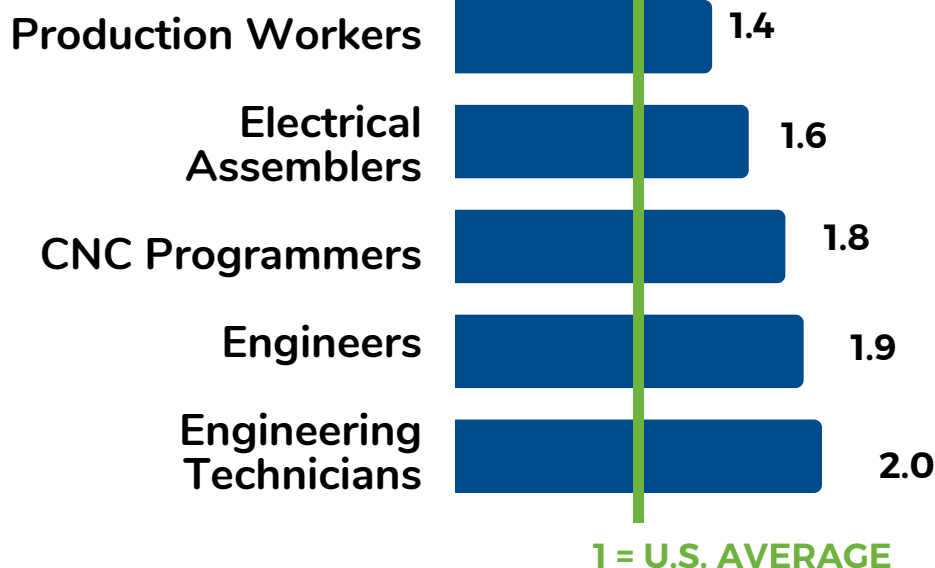

The City of Hillsboro convenes company-based called Advanced Manufacturing Training and Education Collaborative of Hillsboro, which is dedicated to building a sustainable, diverse, talent pipeline for our thriving industries. Through strategic planning and partnership, the city works with key stakeholders, including academia, to ensure we have a competitive and highly educated workforce. Hillsboro has a robust set of workforce development programming to support these efforts. Hillsboro is also home to a wide array of prototyping, testing, and logistics companies to assist manufacturers.
