## MESSAGE FROM THE COUNCIL

Each year, the Hillsboro City Council selects guiding principles and priorities to guide decision-making on how to achieve the City's mission and advance Hillsboro's community-led vision.

These are our 2023 City Council priorities:

**Economic  
Development**

**Strategic Plan  
Development &  
Implementation**

**RACIAL EQUITY**

**Public Safety**

**HOUSING & HOMELESSNESS**

*Community Engagement  
& Outreach*

**Environmental  
Sustainability**

Read the complete list of goals for these Council priorities:  
[Hillsboro-Oregon.gov/Council](https://Hillsboro-Oregon.gov/Council)

### New Episodes of *Community Conversations*

Mayor Steve Callaway invites guests each month for *Community Conversations*.

#### Recent episodes:

- Hillsboro's Cultural Arts District
- Better Jobs, Better Wages with Workforce Development
- Inclusive Employment: Hillsboro's Supported Employees

All episodes in English and Spanish, as a video or a podcast.

**2023**  
**State of the City**

Hillsboro's Annual Community Update

[Hillsboro-Oregon.gov/StateOfTheCity](https://Hillsboro-Oregon.gov/StateOfTheCity)

Tell us about a woman you deeply admire

Mayor Steve Callaway  
**Barbara Jordan**, the first Black Congresswoman from Texas & a Presidential Medal of Freedom recipient

Council President Anthony Martin  
**My mom**, a cancer survivor, single mom & animal lover who made me who I am

Councilor Olivia Alcaire  
**Amanda Gorman**, the youngest poet to deliver a reading at a presidential inauguration

Councilor Beach Pace  
**Katherine G. Johnson**: I cannot imagine the hate & vitriol she put up with, yet she kept serving with NASA for 33 years

Councilor Gina Roletto  
**Carmen Xiomara Urbina**, Oregon Dept. of Education Deputy Director: a strong Latina educational leader who leads authentically

Councilor Kipperlyn Sinclair  
My **Aunt Ali**, a transgender woman and retired vet who volunteers by providing meals to fellow vets in need

Councilor Rick Van Beveren  
My 102-year-old **Aunt Yvonne**; author, poet, playwright, and a truly wonderful person

## Working Together to Address Homelessness

City Manager Robby Hammond

Our community cares about homelessness. Since October, an outpouring of generous donors and volunteers have reached out to support staff and guests at the Safe Rest Pods on SW 17<sup>th</sup> Avenue.

In January, around 150 community members attended our Listen & Learn event to better understand how homelessness impacts our neighbors.

And in February, the City Council once again made homelessness a top priority for the year ahead (see page 2).

For our residents, businesses, and neighbors living unsheltered, the City has made a commitment to collaborate in pursuit of proven solutions, including:

### Year-Round Shelter Planning

Community engagement and design work continues for the City's long-term investment to support individuals and families experiencing homelessness. See the early site design on page 4.

### Safe Rest Pods on SW 17<sup>th</sup> Avenue

This temporary shelter site for 30 to 40 individuals or couples opened in fall 2022 in partnership with Washington County and Open Door HousingWorks.

### Updating Camping Rules

Recognizing the vital need, new federal and state laws require cities in Oregon to allow community members to sleep and rest on public property — with restrictions — when no shelter beds are accessible. The City is working with partners and gathering community feedback to update our camping ordinances, or rules, to comply with the new laws. See community engagement details on page 4.

Read more about our work & share your thoughts on Engage Hillsboro.

[Hillsboro-Oregon.gov/Homelessness](https://Hillsboro-Oregon.gov/Homelessness)

[Engage.Hillsboro-Oregon.gov](https://Engage.Hillsboro-Oregon.gov)

## Year-Round Shelter: Early Design Concept

An early design concept for the Year-Round Shelter project includes indoor congregate beds and individual shelter pods in a village-style model.

See the draft design at [Engage.Hillsboro-Oregon.gov](https://engage.hillsboro-oregon.gov)

*Design subject to change as project evolves.*

## Homelessness in Hillsboro: Updating Camping Rules

All cities and counties in Oregon — including the City of Hillsboro — must review and update local ordinances, or rules, that regulate sitting, lying, sleeping, or keeping warm and dry outdoors on public property by July 1, 2023.

A new state law, Oregon House Bill 3115, requires the City to allow camping on certain public property with reasonable restrictions when no shelter beds are accessible.

Before the Hillsboro City Council considers the required updates in June, the City is listening and engaging with community members.

All Hillsboro community members can share feedback and ask questions on our Engage Hillsboro platform at [Engage.Hillsboro-Oregon.gov](https://engage.hillsboro-oregon.gov).

### Community Advisors: Camping Ordinance Workgroup

A Camping Ordinance Workgroup made up of 30 to 40 diverse community stakeholders will meet this spring to:

- Learn about the ordinance updates
- Review community feedback from Engage Hillsboro
- Provide recommendations to the Hillsboro City Council

Watch the livestream and video recordings of workgroup meetings, and read discussion points on Engage Hillsboro.

[Engage.Hillsboro-Oregon.gov](https://engage.hillsboro-oregon.gov)

## Safe Rest Pods Extended through June

The Safe Rest Pods at SW 17<sup>th</sup> Avenue will stay open through June 2023 to continue providing community members with a safe place to sleep and wrap-around support services through the rainy spring season.

The Safe Rest Pods — a partnership between the City of Hillsboro, Washington County, and Open Door HousingWorks — connect people to long-term housing resources and reduce the need for unmanaged camping.

Washington County is considering new locations for the pods after June as the City and County move forward to create a future Year-Round Shelter on the property.

[Hillsboro-Oregon.gov/Homelessness#Shelter](https://hillsboro-oregon.gov/Homelessness#Shelter)

# Main Street Commons Will Feature Voices of the Pacific Northwest

New murals will be installed on the exterior of Main Street Commons, the redevelopment project located in the heart of Downtown's Historic Core, **at the corner of Main Street and 2<sup>nd</sup> Avenue.**

Through the theme Pacific Northwest: Past, Present and Future, artists were asked to reflect and interpret the region's greatest assets — the people and land — as they were before, as they are now, and what the future could hold.

Instead of traditional hand-painted murals, the artwork will be high resolution photographic reproductions fastened to exterior walls.

Through this new and innovative format, the artwork can be curated on a rotating basis, effectively transforming the building's façade into a dynamic outdoor gallery of sorts, easily enjoyed by patrons and tourists.

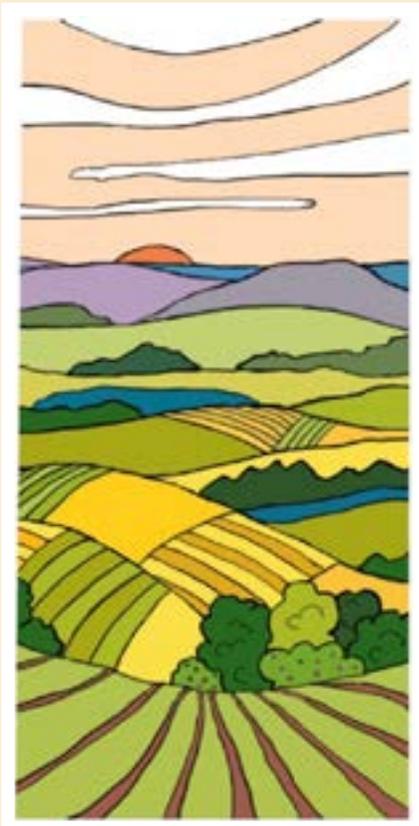

The artwork is anticipated to be installed in late spring 2023, with the unveiling coinciding with the opening of Main Street Commons.

Main Street Commons rendering

[Hillsboro-Oregon.gov/News](https://Hillsboro-Oregon.gov/News)

Mural Design:  
**Lisa Flowers Ross**

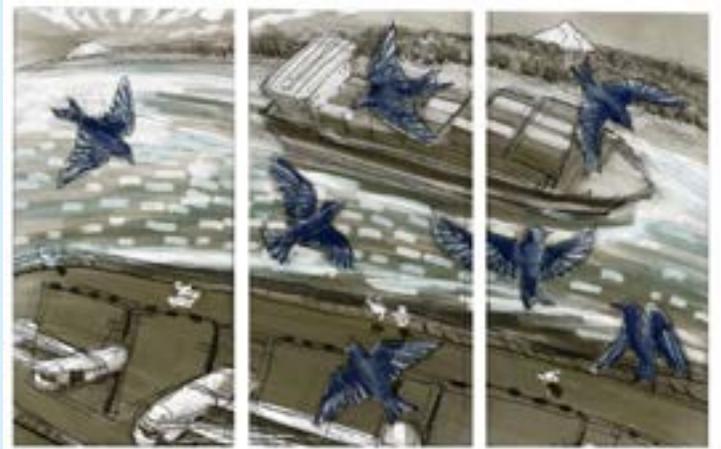

"I wanted to highlight the many greens in the landscape that, to me, represents the Pacific Northwest. The field "patches" in the artwork represent the wineries and farms found in the area." — Lisa Flower Ross

*"The impressive scale of industrial ships juxtaposed with Oregon's rich, natural landscape and birdlife, captures the convergence of modern economy and our ecological heritage."*

— Aya Morton

Mural Design: **Aya Morton**

Mural Design:  
**Paola De La Cruz**

*"In my design, I layer timelines, including the past, present, and future. These timelines can be seen through the motherland figures that lay in the forefront of the image."*

— Paola De La Cruz

# Summer Camp Fun with Hillsboro Parks & Recreation!

**Wednesday, March 8 @ 8 am** **Summer Camps: Registration opens!**  
Preview local & affordable camps online March 3. Summer camps run from June 26 – September 1, for ages 4 to 18.

**Wednesday, April 26 @ 8 am** **Regular Summer Programs: Registration opens!**

**Sign up early & reserve your space!**

[Hillsboro-Oregon.gov/ActivitiesGuide](https://Hillsboro-Oregon.gov/ActivitiesGuide)

[Hillsboro-Oregon.gov/Register](https://Hillsboro-Oregon.gov/Register)

## *Futsal* is now in a neighborhood near you!

Drop into three new multi-use sport courts at parks around Hillsboro to play this fun, fast-paced game!

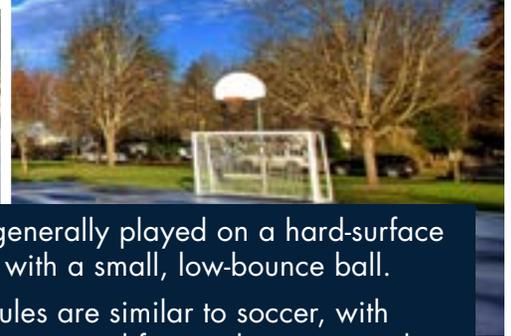

Hillsboro Parks & Recreation recently added NEW futsal goals to:

**Walnut Street Park**   **Bagley Park**   **McKinney Park**

*Plus, continue to use courts at:*

Hidden Creek Community Center

Griffin Oaks Parks

Futsal is generally played on a hard-surface court with a small, low-bounce ball.

The rules are similar to soccer, with shorter games and fewer players per side.

## Meet Mely Gutmann! Hillsboro's Little Sprouts Instructor

*La Familia* is everything to Melissa (Mely) Gutmann. Born and raised in El Salvador, Mely has three sisters and a “powerhouse” single mother who teaches preschool.

Mely describes her mother as a “caregiver, warrior, cancer survivor, immigrant, and my biggest inspiration.”

Like her mother, Mely has a passion for early childhood education.

With more than 15 years of experience in the field, Mely is using her talents with Hillsboro Parks & Recreation as the Early Childhood Program Lead.

Mely's focus is on developing Hillsboro's Little Sprouts program, which serves children ages five and under.

Every Saturday in March, Mely is leading free drop-in activities at Hillsboro Futsal from 10 am to 12 pm. Youth can play sports like basketball and futsal, and enjoy arts, crafts, and other activities.

While these activities are all ages, Mely's other programs focus on preschool-age youth. Some of her classes include Little Chefs, Cuentos and Play, and My First Sewing.

Each Story MATTERS Every Child COUNTS

### Día de los niños/ Children's Day

Saturday, April 29, 12 pm – 4 pm  
Shute Park Library

Free · Family-friendly · Bilingual

Disfrázate de tu personaje favorito y únete a nosotros para una celebración divertida con manualidades, música, golosinas y más.

Dress up as your favorite character and join us for a fun celebration with crafts, music, treats, and more.

### Hillsboro's Spanish-Language Book Collection Expands

More than 1,000 new books in Spanish, for all ages and genres, will arrive this spring and be ready for checkout in April.

For the first time since before the COVID-19 pandemic, two Hillsboro Public Library employees selected the new books at the Guadalajara International Book Fair.

This book fair is the largest in the world, with access to more publishers than any other, which means a broader selection of books in Spanish to purchase for Hillsboro's collection.

## HILLSBORO READS: LOCAL AUTHORS EXPO

## FIRE STATION #5

# Jones Farm Station #5 OPEN HOUSE

**Saturday, March 11**  
**10 am – 2 pm**

Meet the firefighters, tour the fire station, and explore a fire engine and fire truck!

All community members are welcome! Learn about:

- Fire safety information
- Hands-only CPR
- Emergency preparedness
- Hands-on activities

## Harm Reduction Buckets

**Hillsboro Fire & Rescue** recently partnered with **Washington County** and **Tualatin Valley Fire & Rescue** to distribute 24

Harm Reduction Buckets to Open Door HousingWorks.

These buckets help clients experiencing homelessness by providing a basic staple of first aid supplies and other items.

The buckets include:

- bandages
- a fire extinguisher
- antiseptic
- a combination solar/hand crank flashlight
- Narcan
- beanies, socks & hand warmers

The program is a pilot led by Washington County Health and Human Services. Buckets have been distributed through community-based organizations to reach community members experiencing homelessness.

## Hillsboro Police Community Advisory Group

The Hillsboro Police Community Advisory Group formed in 2022 to represent the cultural, ethnic, and racial diversity of the Hillsboro community. The group advises the Chief of Police directly on issues faced by all Hillsboro community members.

Read updates from this community engagement-focused group online.

[Hillsboro-Oregon.gov/PoliceAdvancement](https://Hillsboro-Oregon.gov/PoliceAdvancement)

## SHRED EVENT

**Saturday, May 6**  
**8 am – 1 pm**

Across the street from  
3083 NE 49<sup>th</sup> Place

- Secure shredding onsite
- 3 box/bag limit
- Event may end early if trucks fill to capacity

# Bridge of Land & Sky Nears Completion

Hillsboro's newest and biggest public art piece — *Bridge of Land & Sky* — spanning the length of the Brookwood overpass over Highway 26 has been installed.

Designed by acclaimed artist Cliff Garten, the 7- to 9-foot-tall undulating ribbon will serve as a gateway to Hillsboro, welcoming and delighting residents and travelers.

Over the next few months, electrical work will add lighting to the art installation for nighttime viewing.

[Hillsboro-Oregon.gov/News](http://Hillsboro-Oregon.gov/News)

## Exploring Bus & Safety Improvements for TV Highway

TV Highway's lack of sidewalks, bus shelters, and protected crossings currently make the area challenging for many pedestrians and transit users who rely on TriMet line 57.

Metro is leading a study of this vital transportation corridor that will examine how to:

- Keep buses out of traffic jams
- Speed up transit travel times
- Increase safety walking to bus stops with better station locations

Study partners include: TriMet; the cities of Hillsboro, Beaverton, Cornelius, and Forest Grove; Washington County; and the Oregon Department of Transportation.

### Frequent Express (FX)

The partners are in the early stages of planning a 'better bus' that would improve speed, reliability, accessibility, and safety.

The improvements could look like the new FX-2 Division line which travels from Portland to Gresham.

### Equitable Development Strategy

The project will also create a community-led, equitable development strategy with the goal of maintaining stability for existing communities along the corridor.

Unite Oregon is leading this strategic effort — with other community organizations — to mitigate the risk of displacement of existing residents and businesses.

[OregonMetro.gov/TVHighwayTransit](http://OregonMetro.gov/TVHighwayTransit)

## Protecting Wildlife & Habitat in Orenco Woods Nature Park

This spring, the Willamette Water Supply Program will begin a project to install about 900 feet of water pipeline beneath the eastern edge of Orenco Woods Nature Park.

The program is a partnership between the City of Hillsboro, Tualatin Valley Water District, and the City of Beaverton to develop the Willamette River as an additional water supply for customers by 2026.

Learn more about the project and ongoing efforts to protect wildlife and improve habitat around the park:

[OurReliableWater.org/Orenco-Woods-Nature-Park](http://OurReliableWater.org/Orenco-Woods-Nature-Park)

### For The Birds

Early vegetation clearing at Orenco Woods Nature Park wrapped up in January.

The clearing work was done before nesting season to ensure native birds and other animals are not disturbed after ground is broken.

Find more information at the website below about wildlife protections in place and a timeline of construction.

## Interactive Construction Map Shows Projects Near You

Want to see construction projects happening in Hillsboro?

Scan the QR code to explore the City's new interactive map of projects with public infrastructure or right-of-way components.

The Geographic Information Systems (GIS) data fueling the map is sourced from data programs and public agencies.

At the touch of your fingers or click of your mouse, check out current or upcoming projects, and get more detailed information.

## Cornelius Pass Road Construction

Drivers can expect increased lane closures and delays on Cornelius Pass Road between TV Highway and Frances Street.

Frances Street — between Cornelius Pass Road and 74<sup>th</sup> Avenue — will be closed March 27 through April 1 for water supply line installation.

[bit.ly/CorneliusPass](https://bit.ly/CorneliusPass)

### Tell Us What You Think: Council Creek Regional Trail

The Council Creek Regional Trail online open house and survey will be open April 14 through May 12.

Scan the QR code to see the virtual open house, learn about the trail & take the survey.

Or visit with us in person:  
**Tuesday, April 25, 4 – 6 pm**  
**@ Cornelius Public Library**

## Safe Routes to School Program: Field Education Series Begins

The City of Hillsboro Safe Routes to School (SRTS) program is off to a fresh and fun start in 2023.

The first field education event of the year took place in January with a passionate group of 9<sup>th</sup> grade students from TV Academy. The group learned how physics play into safety decisions and roadway maintenance.

The walking tour also exposed students to pedestrian safety-related topics, including mode priority, signal timing, line of sight, peripheral vision changes at higher speeds, curb radii, and crossing distances.

The SRTS team is enthusiastic about engaging with schools and students to discuss — and experience — safety and designing for all.

For interest or inquiries, please visit: [Hillsboro-Oregon.gov/SRTS](https://Hillsboro-Oregon.gov/SRTS)

## Street Sweeping Innovations

Each year, Hillsboro Public Works sweeps more than 465 curb miles of paved streets throughout the city.

Sweepers are out in the community, sweeping all streets in each of our 10 districts — 12 times per year.

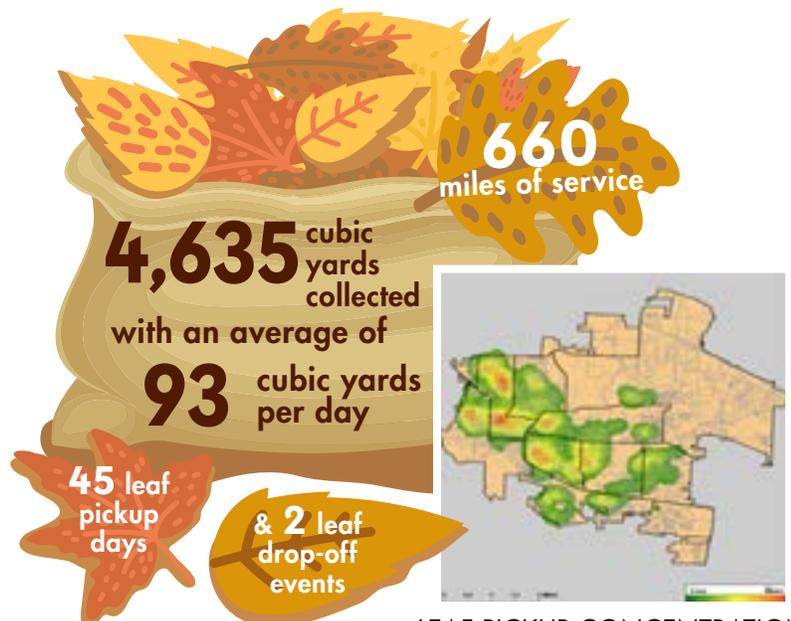

In addition to keeping our roadways clean, sweepers reduce trash and pollution particulates that enter our stormwater system and waterways.

Public Works operations teams are working to leverage new technology that will make it easier for you to know when a sweeper will be in your area.

Scan this QR code to learn more and find your district:

## 2022 Street Tree Leaf Collection Stats

## Test the Water in Your Home for Lead

Drinking water served by Hillsboro Water to customers is tested regularly to ensure every drop meets all safe drinking water standards, including those for lead.

**Hillsboro's water system has no known lead service lines, pipes, or connections.**

Request a **FREE** Lead-in-Water Test Kit:

[Hillsboro-Oregon.gov/Lead](https://www.hillsboro-oregon.gov/Lead)

The main sources of lead in drinking water are customer-owned lead pipes, plumbing fixtures, and water service lines. Lead can enter drinking water when customer's plumbing materials break down or corrode.

Since each home has different plumbing, pipes, and materials, testing is the only way to determine if lead is present.

## Water Main Flushing... Coming to a Neighborhood Near You!

To keep your drinking water fresh, clean, and tasting great, Hillsboro Water will be flushing the more than **300 miles** of underground water mains (through fire hydrants) over the next four years.

Follow our flushing journey online:

[Hillsboro-Oregon.gov/Flushing](https://www.hillsboro-oregon.gov/Flushing)

## Before There's an Emergency... Get Ready. Get Water.

Be ready for emergency situations ahead of time by preparing an emergency water supply for yourself and your family.

**Start With Water:** Your goal is to have one gallon of water per person per day in your emergency kit to meet sanitation and food preparation needs for at least two weeks.

**Store What You Can, Where You Can:** Purchase bottled water or use your own sanitized containers to store your emergency water supply.

**Sign Up for Emergency Alerts:** Washington County Emergency Alerts provides emergency alerts via text, email, or voice message. Sign up for free today at [PublicAlerts.org/Signup](https://PublicAlerts.org/Signup).

Find emergency preparedness resources, call 503-615-6702 or visit:

[RegionalH2O.org/Emergency-Preparedness](https://RegionalH2O.org/Emergency-Preparedness)

## Tackle Your Leaky Toilet!

If your toilet has a leak, you could be wasting about 200 gallons of water every day. That would be like flushing your toilet more than 50 times each day — for no reason!

Fixing a toilet leak is a great way to reduce household water use and boost water conservation.

### Is your toilet leaking? It's easy to check!

Visit [RegionalH2O.org/Toilet](https://RegionalH2O.org/Toilet) for repair tips.

## Need Help with Your Utility Bill? We Offer Bill Assistance & Payment Plans

If you are facing a financial hardship, you can stay connected to City utility services.

The City of Hillsboro's Utility Bill Assistance program offers flexible payment plans and bill relief support.

[Hillsboro-Oregon.gov/UtilityAssistance](https://www.hillsboro-oregon.gov/UtilityAssistance)

## Meet Rahim Harji: Assistant City Manager

Rahim Harji joined the City of Hillsboro as Assistant City Manager in early 2020, in the earliest days of the COVID-19 pandemic. We asked Rahim to share what makes his work so meaningful to him, and where he gets his inspiration.

### Tell us more about yourself.

I was born in Gainesville, Florida, but I grew up in Kenya (I can speak

Swahili from my time living in Kenya, although not so well anymore).

I went to college in Canada, then came back to Florida and moved to Oregon almost three years ago. I'm a professional engineer in the State of Oregon and have an Executive MPA from Portland State University.

My wife Emily and I, and our dog, really enjoy the outdoors like hiking, visiting the coast, and, of course, soccer.

### What led you to work for the City of Hillsboro?

After several years in the Florida heat, my wife and I were ready to move to the cooler Pacific Northwest when we heard about this opportunity at Hillsboro. The strong emphasis on Diversity, Equity, and Inclusion work drew me here.

The food, beer, and scenery are nice out here too.

### What do you like most about your work?

The people who work here — it's why I love public service. You get to meet and work with people who are here to help the community and make it the best it can be.

We have the opportunity to elevate voices that sometimes aren't heard. Sometimes, it's just fixing a sidewalk, but that can make a big difference for someone. Other times, it's implementing things like asset management programs that will benefit our community years from now.

### What's your favorite place in Hillsboro?

Calle Diez is a favorite of mine — there's an energy there. It's a cultural hub for our community and there's amazing food too. It is an area that has a lot of City facilities, like the Shute Park Library, the Aquatic and Recreation Center (SHARC), and a community park all in one area.

We recognize that we must continue to strengthen the bond between local government and the community that is there, and we're working on that — it's that true equity work.

Read more about Rahim: [Hillsboro-Oregon.gov/News](https://Hillsboro-Oregon.gov/News)
