

# Get there with Boro Bikes

**Pedal-powered  
professional and  
personal trips are  
just an Outlook  
reservation away!**

Boro Bikes give City of Hillsboro employees an active and sustainable transportation option for both professional trips and personal use.

Four bicycles—each designed for a comfortable, work-clothes riding experience for a range of riders—are available for reservation at the Civic Center. Check out a Boro Bike to travel to meetings and site visits for work, or during your break to grab lunch, run errands, and get some exercise.
