

Transportation Safety Action Plan

Steering Committee #1 – November 30th, 2023

1

Agenda

- Welcome & Introductions
- Project Overview
- Study Area, Scope, Schedule
- Safe System Approach
- Existing Conditions Summary
- Breakout Groups
- Next Steps

2

Introductions

Steering Committee: Name, role, representing agency, organization, constituency

- Carol Hatfield (Hillsboro School District)
- Craig McDonald (TriMet)
- David Gardner (COH Risk Mgmt)
- Deanna Palm (Hillsboro Chamber of Commerce)
- Elisa Joy "EJ" Payne (Downtown Partnership)
- Felipe Lopez (Community Member)
- Jeff Gurske (COH Fire)
- Jeff Pazdalski (Westside Transportation Alliance)
- Jimmy McClure (COH PW Ops)
- John Haide (WashCo Bikes)
- Josh Roll (ODOT)
- Joy Relton (Community Member)
- Julie Wright (Commission for the Blind)
- Justin DeMello (COH Economic Development)
- Kaylee Vazquez Burgos (Hillsboro Youth Advisory)
- Kevin Harrison (COH Police)
- Lake McTighe (Metro)
- Lindsay Huber (StreetTrust)
- Mat Dolata (COH Trans. Systems Planning)
- Nansi Lopez (Centro Cultural)
- Nick Baker (COH Community Development)
- Shelley Oylear (Washington County)
- Swetha Mettala Gilla (Community Member)
- Tara Huffman (Transportation Committee)

Project Overview

What is the TSAP and why do we need it?

- Evaluates safety issues on our roadways based on data and community input
- Identifies and prioritizes solutions to guide investment decisions
- Required by Federal government to qualify for Safe Streets for All (SS4A) Grants
- Last update was in 2017

We've completed many of the 2017 Actions!

Design, Enforcement, Education, Interagency and Interdepartmental Collaboration

- Expanded the Safe Routes to School Program
- Improved signal timing
- Applied latest design standards to new projects
- Upgraded ADA ramps with TUFF Program
- Built more of our bike/ped network
- Created social media and education campaigns for safe driving
- Increased targeted enforcement to address seat belt use and impaired driving

5

Benefits to the City of Hillsboro

Aligning With City Council Goals and Priorities

- Will give the community a chance to actively be heard and participate in pursuing several the City Council's Mission and Core Values:
 - Respect for Diverse Voices and Ideas
 - Culture of Teamwork and Communication
 - Innovation
- People will be able to more readily access their needs, provide for their families, achieve their personal goals, and contribute to their community.

6

Community Engagement

- Goal: Engage the community at the involve level, working directly with community members to ensure that community feedback influences the process and outcomes of the TSAP update
- Outreach will be done through an equity lens, ensuring various voices and perspectives are represented and reflected in the final plan
- Key strategies include:
 - In-Person Outreach Events
 - Fact Sheets, Comment Cards, Outreach Displays
 - Online and In Person Open Houses
 - Project Website

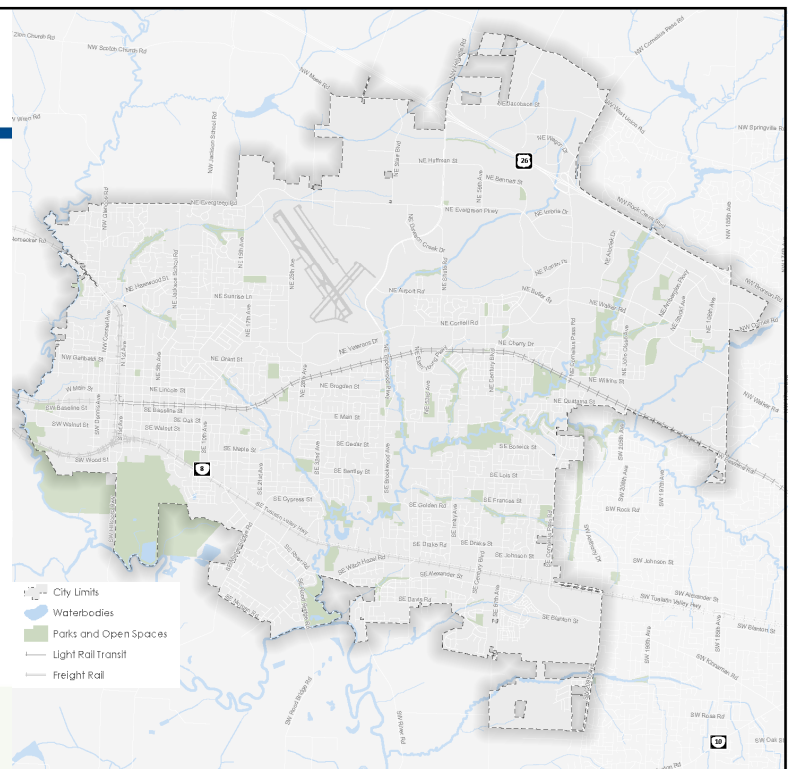

7

Project Scope

Study Area

- Public roads within city limits
- Roadway owners
 - City of Hillsboro
 - Washington County
 - ODOT
- Emphasis areas, high priority locations, and solutions will focus on City owned roadways
 - Recognizing opportunities across jurisdiction collaboration

8

SS4A Action Plan Components

- Vision & target(s)
- Oversight group
- Data-driven
- Engagement
- Equity/Demographics
- Projects/strategies
- Performance measures

Safe Streets and Roads for All
Self-Certification Eligibility Worksheet

Applicants should follow the instructions in the NCFD to correctly apply for a grant. See the [SS4A website](#) for more information.

Instructions: The purpose of this worksheet is to determine whether an applicant's existing plan(s) is substantially similar to an Action Plan for purposes of applying for an Implementation Grant or to conduct Supplemental Planning/Demonstration Activities only. Use of this worksheet is required. Applicants should not adjust the formatting or headings of the worksheet.

For each question below, answer "yes" or "no." If "yes," cite the specific page in your existing Action Plan or other plan(s) that corroborate your response, or cite and provide other supporting documentation separately.

An applicant is eligible to apply for an Action Plan Grant that funds supplemental action plan activities, or an Implementation Grant, only if the following two conditions are met:

- Answer "yes" to Questions 1 2 3 4
- Answer "yes" to at least four of the six remaining Questions 5 6 7 8 9 10

If both conditions are not met, an applicant is still eligible to apply for an Action Plan Grant that funds creation of a new Action Plan.

Lead Applicant: _____ UE: _____

1 Are both of the following true? YES NO

• Did a high-ranking official and/or governing body in the jurisdiction publicly commit to an eventual goal of zero roadway fatalities and serious injuries?

• Did the commitment include either setting a target date to reach zero, OR setting one or more targets to achieve significant declines in roadway fatalities and serious injuries by a specific date?

2 To develop the Action Plan, was a committee, task force, implementation group, or similar body established and charged with the plan's development, implementation, and monitoring? YES NO

If yes, provide documentation.

3 Does the Action Plan include all of the following? YES NO

• Analysis of existing conditions and historical trends to baseline the level of crashes involving fatalities and serious injuries across a jurisdiction, locality, Tribe, or region;

• Analysis of the location where there are crashes, the severity, as well as contributing factors and crash types;

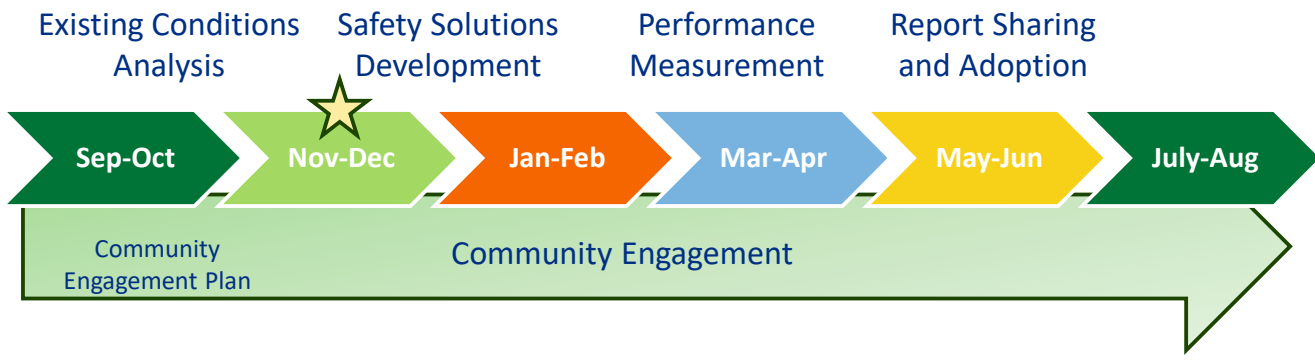

• Analysis of systemic and specific safety needs is also performed, as needed (e.g., high risk road features, specific safety needs of relevant road users, and);

• A geospatial identification (geographic or locational data using maps) of higher risk locations.

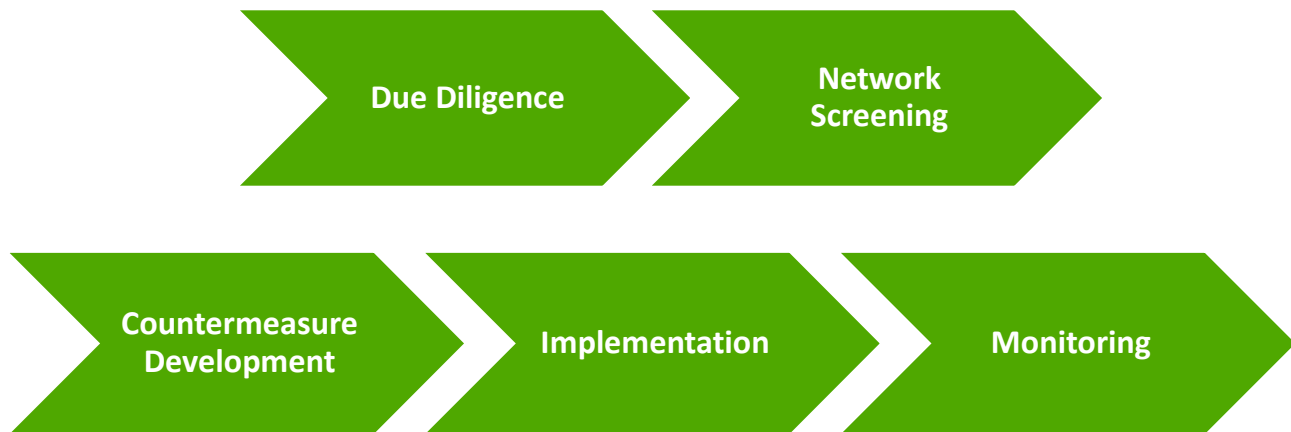

U.S. Department of Transportation Still have questions? Visit the [SS4A website](#)

Project Overview: Schedule

Project Framework

11

Safe System Approach

Mindset shift

- Injury prevention vs. crash prevention
- Less emphasis on people's choices > will make mistakes

*Imagine the City of Hillsboro as a place where **nobody** has to die or be seriously injured from crashes*

12

Safe System Approach

The Swiss Cheese Model

14

Existing Conditions Summary

Crash Patterns & Characteristics: Temporal

15

Existing Conditions Summary

Potential Emphasis Areas

- Pedestrian and Bicycle Crashes
- Aggressive Driving
- Impaired Driving
- Intersection Crashes
- Turning Movements and Rear End (on 40+ MPH roadways) Crashes
- Older Drivers

16

Existing Conditions Summary

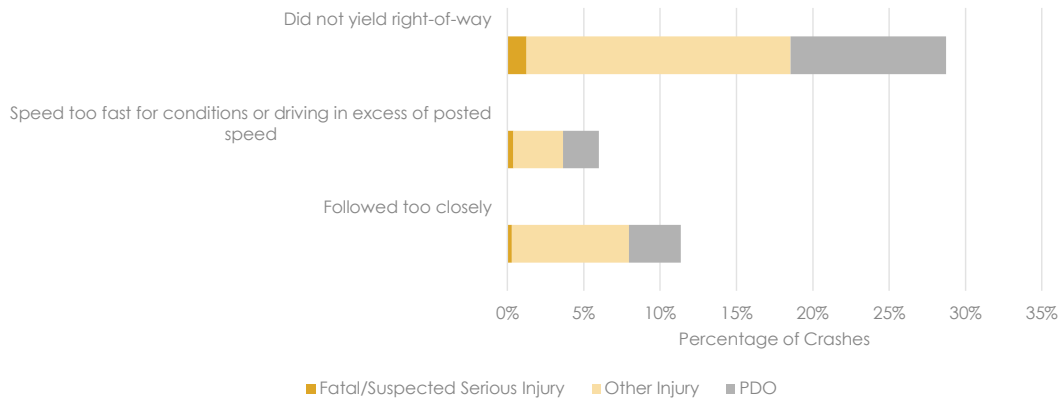

Crash Patterns & Characteristics: Pedestrian and Bicycle Crashes

17

Existing Conditions Summary

Crash Patterns & Characteristics: Aggressive Driving

18

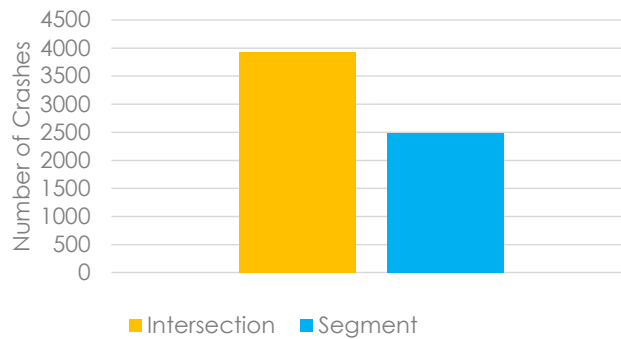

Existing Conditions Summary

Crash Patterns & Characteristics: Impaired Driving

Existing Conditions Summary

Crash Patterns & Characteristics: Intersection Crashes

NFO

Existing Conditions Summary

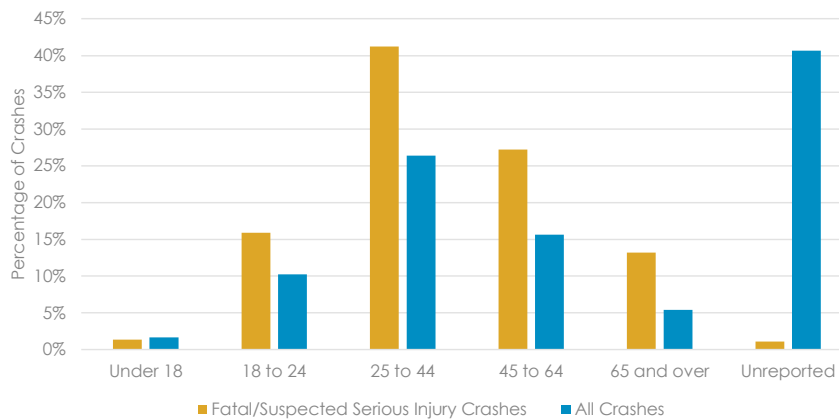

Crash Patterns & Characteristics: Turning Movements and Rear End (on 40+ MPH roadways) Crashes

21

Existing Conditions Summary

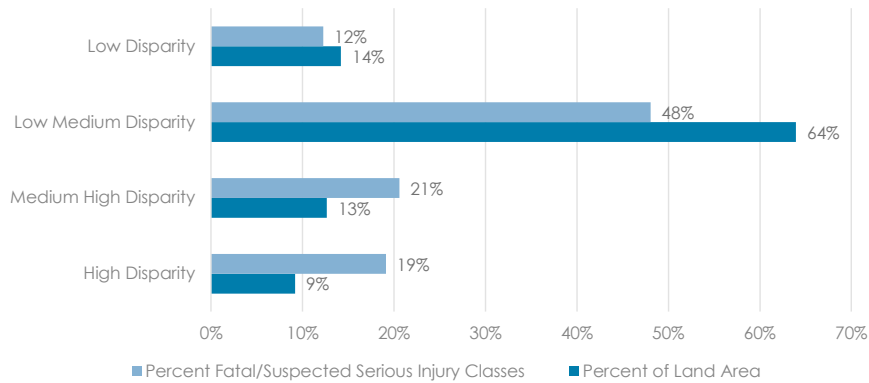

Crash Patterns & Characteristics: Older Drivers

22

Existing Conditions Summary

Crash Patterns & Characteristics: Equity and Safety

23

Existing Conditions Summary

Potential Emphasis Areas

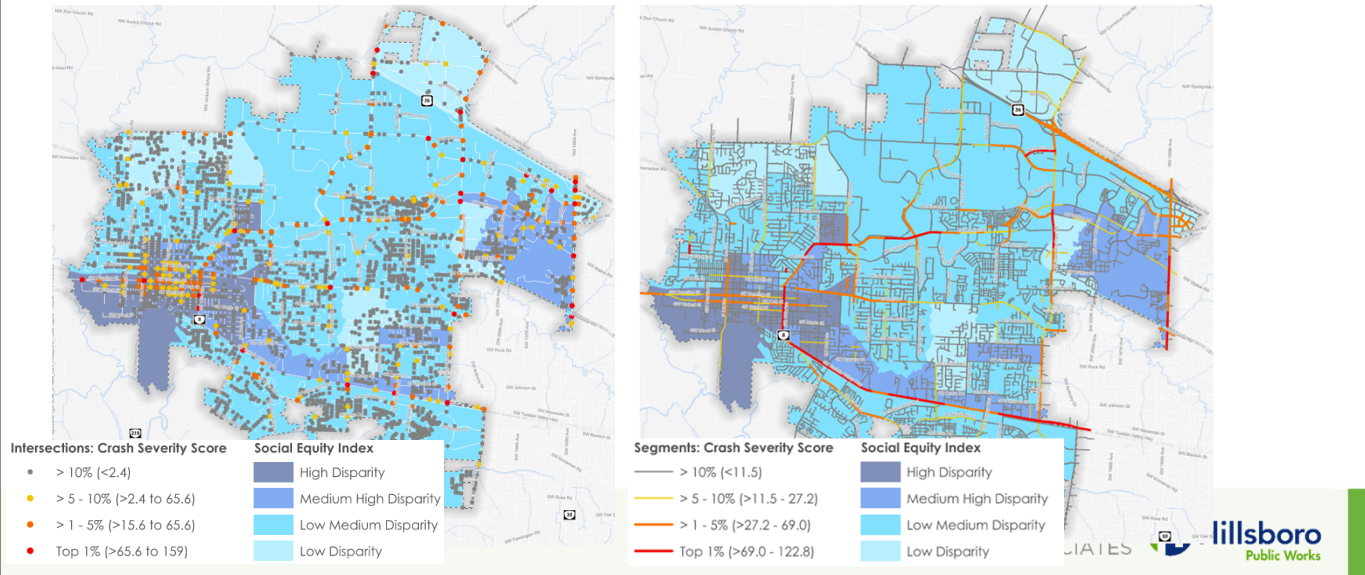

Potential Emphasis Areas Hillsboro TSAP Update	City of Hillsboro TSAP (2017) Crash Trend	Washington County TSAP (2016) Safety Focus Areas	Oregon TSAP Emphasis Areas
Pedestrian and Bicycle Crashes	✓	✓	✓
Aggressive Driving	✓	✓	✓
Impaired Driving	X	✓	✓
Intersection Crashes	✓	✓	✓
Turning Movements and Rear End (on 40+ MPH roadways) Crashes	✓	X	X
Older Drivers	X	X	✓

24

Existing Conditions Summary

Intersection and Segment Screening Results

25

Existing Conditions Summary

Potential High Priority Locations

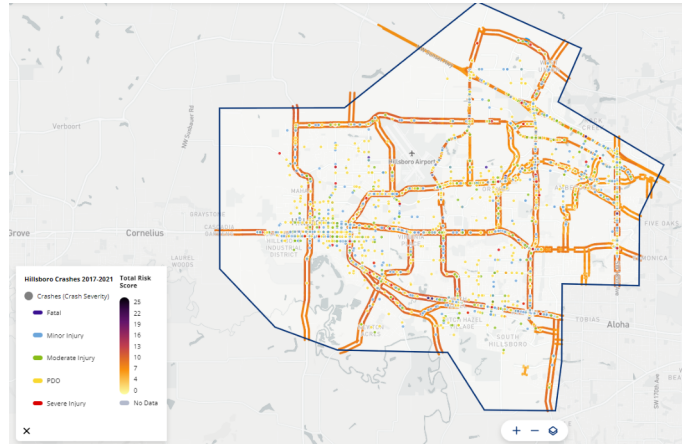

Intersection	Social Equity Index
SE Johnson St / SE Century Blvd	Medium High Disparity
NE John Olsen Ave / NE Wilkins St	Medium High Disparity
E Main St / NE 5th Ave	Medium High Disparity
NE John Olsen Ave / NE Walker Rd	Medium High Disparity
SE 9th Ave / SE Walnut St	High Disparity

26

Existing Conditions Summary

INRIX Safety View

- Near Miss Detection
- Vulnerable Road User Index
- Total Risk Score
 - Crash Risk
 - Seatbelt Risk Score
 - Hard Braking Risk Score
 - Speeding Risk Score
 - Vehicle Body Type Risk Score

27

Breakout Groups/Discussion

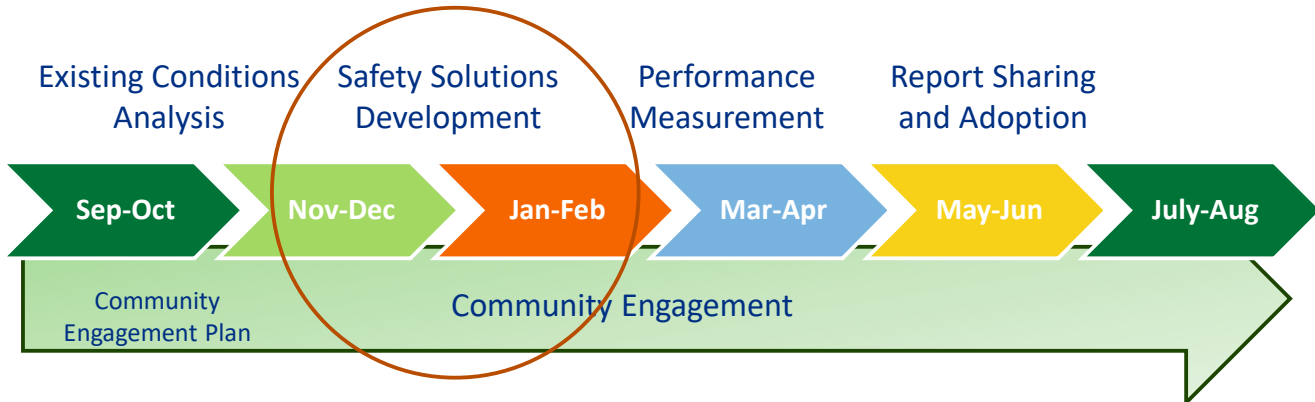

Questions

- What role do you/your constituency play in transportation safety? What role do you want to play?
- What are your/your constituency's primary transportation safety concerns?
- What are you currently doing; want to be doing? What do you need to accomplish your safety goals?

28

Next Steps

Steering Committee, Online Open Houses, Online Survey, In-Community Connections
