

Nature Rubbings

Supplies:

Paper

Crayons

Things from outside such as: leaves, rocks, sticks, bark, pine cone pieces etc.

Instructions:

1. Peel the paper off of a crayon
2. Place the nature item underneath a piece of paper
3. Use the side of a crayon of any color and rub across and in circles around the item. A print should appear on the paper.
4. Try using different colors. Have fun!
