- This map shows development projects that are in progress in the City of Hillsboro. We have attempted to show all projects that are under review or recently completed at the time this map was produced. Not all projects shown have received approval. Some projects may be approved but have not yet recorded and/or started construction.
- This map portrays most projects by tax lot boundaries which may not accurately match projects as they appear "on the ground." Partitions or new construction that may be in progress on individual lots are not included.
